## Develop your potential – explore how finance can change millions of lives

### Start your career in September 2016

Novo Nordisk's Finance Programmes offer a great springboard for launching a life-changing career at a global pharmaceutical company. The Programmes are designed to provide you with comprehensive knowledge of the Novo Nordisk finance operation and a solid understanding of the underlying business. You develop your skills across the finance disciplines, supported by manager sparring, a senior mentor and targeted training.

### 2-year Programmes with four 6-month rotations:

#### Global Finance Graduate Programme

- 3 rotations in our headquarters in Denmark
- 1 rotation in a corporate sales affiliates or production site

#### European Finance Graduate Programme

- 2 rotations in our European headquarters in Zurich
- 1 rotation in our headquarters in Denmark
- 1 rotation in a corporate European sales affiliates

### Am I a qualified candidate?

To join the Finance Programmes you must have:

- A recent master's degree in a relevant subject, for example within Finance, Management Accounting, Economics or International Business
- Finished at the top of your class
- No more than 1 year of work experience since finishing your studies
- An international mind-set and team-player skills

“ The Global Finance Graduate Programme allows me to rapidly advance my career and develop myself professionally, whilst contributing to improving the lives of millions of patients.

*Markus Straarup, Global Finance Graduate*

### More ways to join Novo Nordisk

In addition to the Graduate Programme, Novo Nordisk offers up to 5000 other life-changing careers. See all available jobs at [novonordisk.com/career](http://novonordisk.com/career) and connect with us at [novonordisk.com/LinkedIn](http://novonordisk.com/LinkedIn).
